

What Is The Mothers Cove?

The Mothers Cove is an incentive based program that offers expecting moms, new moms and moms with children two years of age or younger; a place to share their experience.

The Mothers Cove will also provide a support system, education on various topics and mentorship; all from trained professionals.

What Is The Incentive?

For every class that a mother attends, they will be awarded points. These points can then be used to purchase products in the On-Site The Mothers Cove Store.
