

What Is The Mothers Cove?

The Mothers Cove is an incentive based program that offers expecting moms, new moms and moms with children one year of age or younger; a place to share their experience.

The Mothers Cove will also provide a support system, education on various motherhood and parenting topics and mentorship; all from trained professionals.

Whats Is The Incentive?

For every class, well-baby appointment, WIC appointment, prenatal, postnatal and healthy child appointment that a mother attends, they will be awarded points. These points can then be used to purchase products in our On-Site The Mothers Cove Store.

Appointments are not limited to those above but also include doctor visits regarding dental care, optometry, primary care, etc.
