

# 2016 Guide to SUMMER FUN

[WWW.COLUMBUSRECPARKS.COM](http://WWW.COLUMBUSRECPARKS.COM)

## Message from Mayor Andrew J. Ginther

As we begin 2016, I am excited about the future of our city and all the new programs and facilities the Columbus Recreation and Parks Department will be featuring. Currently, their 230+ parks, 29 recreation centers, 7 outdoor pools, athletic complexes, golf courses and a trail system that provide opportunities for all of our residents to lead a healthy life. In the coming months, the department will offer even more possibilities for Central Ohioans to improve their quality of life while making a positive economic impact on the city.

This spring, the department is anticipating the reopening of Douglas, Glenwood and Driving Park Recreation Centers that were closed for renovations. In the summer, Driving Park will unveil a new 8,500 square foot swimming pool and will continue to add to the Central Ohio Greenways trail for Columbus biking enthusiasts. Later in the year, the department anticipates their new Greg S. Lashutka Event Center to open giving residents more rental space for meetings, weddings and other events.

We know our programs mean so much more to a community than just places to play and enjoy the outdoors. Our programs truly have a positive impact on our residents' quality of life. In fact our centers are a starting point for many young people to learn life skills and to participate in team and individual activities. We promote active, healthy living and our centers are a safe environment after school, in the evening, on weekends and throughout the summer.

So I invite you, your family and your friends to join us all year long. Whether it's our special events such as the Jazz and Rib Fest, our summer camps, our trails for hiking and biking, our parks for leisurely strolls, our outdoor education activities, our free swim lessons, our programs for those 50 and older, or our community centers, I know Columbus Recreation and Parks is ready to welcome you.

# Summer Registration

## Message from City Councilmember Jaiza N. Page

As the Chair of the Recreation and Parks Committee, I know the enormous impact the department has on people's lives in our community. As a child, I spent time in Krumm Park at what is now the William H. Adams Recreation Center. I remember learning how to play basketball, volleyball and tennis from Mr. Dwight Cartier, the center manager at the time. I want to make sure the next generation of Columbus leaders has a safe and secure place to grow and learn, just like I did.

As you can tell from this catalog, the Recreation and Parks Department offers a wide range of programs for citizens of all ages. High quality programs from arts to sports provide an opportunity to recreate and stay healthy and strong.

On council, I will work hard to continue to improve the quality of life in our community. On behalf of Council President Zach Klein and the entire Columbus City Council, I wish you and your family a happy and safe summer season!

# Youth Camps

## Horseback Riding Camp

**Ages 6-12** (age as of first day of camp)

Saddle up and join the fun at Liberty Horse Farm. Gentle horses and expert instruction provide a safe, fun environment in which to learn the basics of riding. Riding twice a day gives riders lots of time on horseback to practice new skills, while time in the barn will be spent learning hands-on skills like grooming, leading and handling, and tacking up. Kids will learn the difference between a fetlock and a forelock, all about different types and breeds of horses, and most importantly, about the special relationship between horses and people and how horses help us learn confidence, responsibility, patience and calm behavior. They will also explore the farm garden, meet the chickens, song birds, rabbits, dogs and cats, play at the creek (weather permitting) and enjoy a healthy snack together every day. Please bring a packed lunch, a water bottle, a change of clothes for the creek, and a bike helmet. We have helmets to loan if you don't have one of your own. Sturdy shoes and long pants are needed for riding every day. Don't forget a big smile; you are sure to have a lot of fun.

For the safety of riders, staff and horses, participants must be able to:

1. Follow directions and stay with group.
2. Behave quietly, gently and respectfully toward fellow campers, staff and animals.
3. Have fine motor control in order to safely control their own bodies on a horse.

## APPS (Applications for Purpose, Pride and Success)

Created in 2011, by former Mayor Michael B. Coleman, the mission of the APPS program is to reduce crime and violence by increasing protective factors in the lives of Columbus youth and young adults (ages 14-21) through proven prevention and intervention strategies. The initiative's prevention strategies include offering safe and constructive alternatives to violence while youth development professionals provide mentorship through enrichment activities at four community recreation centers. Additionally, APPS links families to services that meet immediate needs along with others that lay the foundation for long term goal attainment which ultimately produces productive contributing members of society.

APPS intervention strategies consist of street-level violence interruption and conflict mediation teamed with case management and support services to address the risk factors that can lead youth into a life of crime and violence. This is put into practice by intervention specialists that build relationships with the young people that are partially responsible for driving the violence in our communities, directing them to healthy alternatives that have redeeming value. Our intervention specialists have unique and diverse backgrounds that have provided them with experiences that assist them in connecting with today's youth.

# Urban Forestry & Parks

## Urban Forestry

### Street Trees

The Forestry Division is responsible for the planting, pruning, and removal of trees on the public right-of-way. Trees growing along roads are called street trees and are generally located in the tree lawn, an area between the street and sidewalk. The tree lawn is within the street right-of-way and is public property as are the trees. If you have any questions, concerns or requests regarding street trees, please call the Forestry Office at 645-6640.

### Permits

To ensure proper arboricultural standards are followed, a permit is required in order to plant, prune or remove a street tree. Please call the Forestry Office at 614-645-6640 and an Arborist will inspect the site to determine the maintenance needs.

## Parks

### The Topiary Garden

Deaf School Park, corner of E. Town St. and Washington Ave., in downtown Columbus, is the site of a unique continual arts project in process. George Seurat's famous post-impressionist painting, *A Sunday Afternoon On The Island Of La Grande Jatte*, is recreated in topiary, sculpted evergreen shrubbery. It is the only topiary interpretation of a painting in existence in the world.

The landscape of the painting consists of 50 topiary people, eight boats, three dogs, a monkey, a cat, and a real pond and trees. The largest figure is 12 feet tall.

The best time to view the topiaries is mid-July through November. Admission is free. Call 614-645-3350 for information.

### Park of Roses

Located within Whetstone Park, 3923 N. High St., the Park of Roses is a crown jewel of the Columbus park system. The Park of Roses is a 13-acre, beautifully landscaped site containing 11,000 rose bushes and specialized collections of herbs, perennials and an Earthkind garden. No admission fee, ample parking and handicap accessible.
