CITY BULLETIN NOTICE

MEETING SCHEDULE

CITY OF COLUMBUS RECORDS COMMISSION:

The regular meetings of the City of Columbus Records Commission for the calendar year 2017 are scheduled as follows:

February 27, 2017

May 15, 2017

September 25, 2017

Meetings will take place at: City Hall, 90 West Broad Street, 2nd Floor, in the City Council Conference Room 225. They will begin promptly at 10:00 am.

Every effort will be made to adhere to the above schedule, but the City of Columbus Records Commission reserves the right to change the date, time or location of any meeting; or to hold additional meetings. To confirm the meeting date, time and locations or to obtain agenda information, contact the Office of the City of Columbus Records Commission Coordinator at (614) 645-0845.

We, the stakeholders of the West Scioto Area Commission, submit this petition for the formation of an Area Commission to afford voluntary citizen participation in decision-making in an advisory capacity and to facilitate communication, understanding and cooperation between neighborhood groups, city officials, and developers.

We are the persons who reside or own property in Columbus bounded:

On the North:

I-270 eastward along the centerline of Cemetery Road to Hilliard Cemetery Road, crossing Dublin Road and continuing east on Carriage Lane extending across the Scioto River to centerline of SR-33.

On the East:

South on SR-33 to I-670.

On the South:

I-670 West to the South bank of the Scioto River. At the alley west of Shultz Ave. the boundary extends south, down to where the line would intersect I-70. Then continuing west along I-70.

On the West:

North from I-70 along the eastern-most railroad track of the Buckeye Rail Yards until Scioto Darby Creek Road, continuing in an easterly direction until the intersection with I-270, then continuing north to the centerline of Cemetery Road.

Size: 6,694.4 acres (or 10.46 square miles)

Estimated Number of Housing Units: 10,206 [9,619 (94.1%) occupied; 599 (5.9%) vacant]

This Task Force will not change the importance of existing community organizations; it will enhance and empower these organizations. As a Commission, we would provide direct community input before decisions are made on issue that could affect our communities' safety and property values.

The following are included in this petition packet:

- Demographic Data (2010 Census)
- Area Map
- Task Force Members
- By-laws (including rules and selection procedures for the WSAC to be created)
