RFQ028296 - Jackson Pike Substation Subsurface Investigation

1. Project Information 1.1 Project Name: Jackson Pike Substation Subsurface Investigation Capital Improvement Project No: 670901-100002 1.2 Project Overview: The Department of Public Utilities (DPU), Division of Power (DOP) is soliciting detailed technical proposals from experienced professional consulting firms to provide subsurface engineering services for the Jackson Pike electric substation facility located at 2500 Jackson Pike, Columbus, OH 43223. The design of a capital improvement project to modernize the Jackson Pike substation was suspended when preliminary field investigations indicated the potential presence of subsurface void(s) indicative of Karst features. These findings raised concerns about the structural stability of the substation infrastructure. The potential risk of ground subsidence and the resulting damage to critical electrical components necessitates a thorough investigation to accurately identify and address these subsurface conditions before proceeding with any further improvements at the substation. This subsurface investigation project focuses on verifying the presence and extent of the suspected Karst features and developing any necessary mitigation strategies to ensure the long-term integrity and reliability of the substation. The City reserves the right to cancel this RFP and reject any bid or proposal, in whole or in part, for good cause when it is in the best interests of the City. In the event of a contract, if the project is delayed for any reason by the City, the City may request to modify the contract to reduce the maximum final obligation of the contract to a minimal level until the project resumes. When the project is intended to resume, the contract will be modified to increase the maximum final obligation to the contract amount necessary to fulfill the remaining services needed. Direct Proposals to: Bonfire at <https://columbus.bonfirehub.com/projectDrafts/147335/publicFiles>. No hard copy proposals will be received nor considered.

RFQ028362 - Batch Scheduler Solution and Implementation

The City of Columbus, Department of Public Utilities (DPU), selected RCC Global, LLC (System Integrator) as their implementation partner to lead the implementation of Oracle Customer Cloud Service (CCS) and Oracle Field Service (OFS). DPU also selected System Integrator to assist with the evaluation, selection, and implementation oversight of the Customer Self-Service Portal, Electronic and Traditional Bill Presentment solution, and Batch Scheduler. DPU has requested that System Integrator provides all implementation services, including the services to implement the Batch Scheduler solution. The selected Proposer will contract with System Integrator (not DPU) as their Sub-consultant to provide the implementation services for the solution to DPU. The implementation of the Batch Scheduler solution will need to align to the implementation of CCS and OFS as DPU would like all solutions to Go-Live at the same time. Proposer will contract directly with DPU for licensing and on-going maintenance/support services. DPU prefers that the provider of the solution is also the implementor but will consider options where this is not the case. Responses to this RFP will only be accepted through Bonfire at <https://columbus.bonfirehub.com/projectDrafts/149091/publicFiles>.

RFQ028466 - Vision Zero - Multilingual Outreach, Research and Education

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until September 11, 2024 at 10:00 A.M. local time, for professional services for Vision Zero - Multilingual Outreach, Research and Education RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at <https://columbus.bonfirehub.com/login>. The required services and deliverables covered under this Request for Proposal relate to Vision Zero Columbus Action Plan 2023-2028 (Action Plan). The Action Plan outlines both foundational activities and action plan strategies that are anticipated to advance our goal of zero traffic-related serious injuries and deaths on Columbus streets by 2035. The Action Plan includes specific action items focused on increasing awareness of Vision Zero principles and traffic-safety laws, such as the Vision Zero Ambassador Program, installation of Vision Zero safety messaging throughout the city and paid media strategies. All strategies are to be executed with cultural humility, equitably, and with focus on topics that contribute the most to serious injuries and fatal crashes. Content could be produced in English, Haitian Creole, French, Portuguese, Nepali, and Spanish. The scope of the project will include the development of a comprehensive marketing and communications plan and three major components: research, marketing, and community-engagement. The cultural shift necessary to achieve Vision Zero will require an equitable, multilingual approach that brings awareness of traffic violence prevention to our entire Columbus community. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at <https://columbus.bonfirehub.com/login> as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at <https://columbus.bonfirehub.com/login>. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at <https://columbus.bonfirehub.com/login> after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. RFQ028444 - Short Circuit Coordination and Arc Flash Studies #2

1.2 Project Overview: The Department of Public Utilities (DPU), Division of Sewerage and Drainage (DOSD) has identified engineering services needed for short circuit, coordination, and arc flash studies. Throughout this document, these will be called "power studies". This work includes: field collection of device and component ratings, settings, sizes, lengths, etc.; affixing arc flash hazard labels to equipment as required by OSHA. This project will reduce nuisance tripping of electrical equipment, update arc flash rating nameplates required by OSHA, and provide a safe working environment for wastewater treatment plant personnel. These studies and the resulting labels are required by OSHA and the National Fire Protection Association 70E (NFPA 70E). This project continues work performed by 650260-100008 Short Circuit Coordination, and Arc Flash Studies No. 1. That previous work created complete models and analysis for DOSD facilities. The selected consultant will be provided all of the existing SKM files. Under this new contract, these models will be expanded and modified to reflect additions and modifications to these facilities that occur during the term of this contract. This is one-year contract with three expected modifications. This project will be a task order project, with new tasks assigned as needs are identified to support other projects. The City reserves the right to cancel this RFP and reject any bid or proposal, in whole or in part, for good cause when it is in the best interests of the City. In the event of a contract, if the project is delayed for any reason by the City, the City may request to modify the contract to reduce the maximum final obligation of the contract to a minimal level until the project resumes. When the project is intended to resume, the contract will be modified to increase the maximum final obligation to the contract amount necessary to fulfill the remaining services needed. 1.3 References: 1.3.1 Appendix E, Short Circuit and Arc Flash Reports for JPWWTP 1.3.2 Appendix F, Short Circuit and Arc Flash Reports for SWWTP 1.4 Obtain RFP All RFP documents shall be downloaded from Bonfire at <https://columbus.bonfirehub.com/>.
