This is a reposting to allow for additional questions that were submitted but not answered due to a malfunction in the RFP question box for RFQ for RFQ028362.

The City of Columbus, Department of Public Utilities (DPU), selected RCC Global, LLC (System Integrator) as their implementation partner to lead the implementation of Oracle Customer Cloud Service (CCS) and Oracle Field Service (OFS). DPU has requested that System Integrator provides all implementation services, including the services to implement the Batch Scheduler solution. The selected Proposer will contract with System Integrator (not DPU) as their Sub-consultant to provide the implementation services for the solution to DPU. The implementation of the Batch Scheduler solution will need to align to the implementation of CCS and OFS as DPU would like all solutions to Go-Live at the same time. Proposer will contract directly with DPU for licensing and on-going maintenance/support services. RFQ028670 - DOSD EV Charging Facilities 650662-100001

1. Project Information 1.1 Project Name: DOSD EV Charging Facilities Capital Improvement Project No: 650662-100001 1.2 Project Overview: The City of Columbus has adopted bold climate and equity goals to ensure that the City does its part to combat global climate change and ensure a healthy and prosperous community for all of its residents, now and in the future. Columbus' Climate Action Plan (CAP) outlines a set of commitments to mitigate and adapt to the impacts of climate change while focusing on community needs and proven best practices. Within the Climate Action Plan, Strategy 10 focusses on implementing zero emissions vehicles (ZEVs), including electric vehicles, throughout the City's fleets. The CAP outlines targets to transition 100% of municipal light duty passenger ZEVs by 2030 and 100% of all fleets to ZEVs by 2050. In order to work toward the goals of the CAP, the Department of Public Utilities (DPU), Division of Sewerage and Drainage (DOSD) fleet management team is transitioning its internal combustion engine vehicles to electric vehicles (EVs). With this transition, the City has identified the need to upgrade each facility's current electrical capacity and infrastructure to accommodate the expansion of the number of installed electrical vehicle (EV) parking spaces. This project will identify parking lots and structures where support infrastructure upgrades are required at identified DOSD facilities – Jackson Pike WWTP, Southerly WWTP, the Compost Facility and the Sewer Maintenance Operations Center (SMOC). The project will study and suggest phased upgrades to the electrical conveyance equipment and for each parking area on site. This project shall suggest upgrades in coordination with the City's current process of transitioning its fleet to EVs. It is the intent of the City to take advantage of the Direct Investment Tax Credit (ITC) rebate through the Inflation Reduction Act (IRA). The project is expected to span three (3) years to provide a detailed plan for division wide installation of EV charging facilities. The selected firm will provide services for preliminary design (Step 1), detailed design (Step 2), and engineering services during construction (Step 3). It is the City's intent to initially enter into a contract with the selected firm for preliminary design work (Step 1) with the intent to execute future contract modifications for detailed design work (Step 2), and engineering services during construction (Step 3). The City reserves the right to cancel this RFP and reject any bid or proposal, in whole or in part, for good cause when it is in the best interests of the City. In the event of a contract, if the project is delayed for any reason by the City, the City may request to modify the contract to reduce the maximum final obligation of the contract to a minimal level until the project resumes. When the project is intended to resume, the contract will be modified to increase the maximum final obligation to the contract amount necessary to fulfill the remaining services needed. 1.3 References: Appendix G – OEC Task Order No. 098 – DOSD EV Fleet Charging Assessment 1.4 All RFP documents shall be downloaded from Bonfire at <https://columbus.bonfirehub.com/projectDrafts/153178/publicFiles>. Public Hearing on Commission on Immigrant and Refugee Affairs

Contact Name: Amaris Lemus

Contact Telephone Number: 614-327-1257

Councilmember Lourdes Barroso de Padilla is hosting a public hearing to discuss a proposed ordinance to create the Commission on Immigrant and Refugee Affairs. Immigrants and refugees are vibrant and vital to the City of Columbus. Immigrants contribute to the economic development of this city and we have long seen an impact in our historic neighborhoods like German Village, Italian Village, and Hungarian Village. As thousands have resettled and continue to resettle here, they often face barriers or are unable to access resources.

This Commission will advise the City on issues of common concern to immigrants, particularly in the areas of health and human services, education, and the demographic makeup of the Columbus immigrant and refugee community. The Commission will also review, evaluate, and make specific recommendations regarding City policy related to immigration matters.

All interested residents are invited to offer public testimony by sending an email to Amaris Lemus at aslemus@columbus.gov by 3:00pm on the day of the hearing. Comments will be limited to 3 minutes.

**Rules of the Community Relations Commission
Effective October 3, 2024**

To become America's opportunity city, Columbus must be just and inclusive for all residents. The Department of

Neighborhoods, through the Community Relations Commission (CRC), plays an important role in the promotion of mutual understanding and respect of different communities in Columbus. This work helps to eliminate the effects of current and past discrimination.

Section 1 - Practice and Procedure

- a) Scope of Rules
These rules outline how the work of the Community Relations Commission as defined in Chapter 139 and 2331 of the Columbus City Code will be implemented.
- b) Amendments
A majority vote by the members of the Commission can be used to amend the rules. Ten business days prior to a vote on a proposed rule change occurring, all CRC members must receive the proposed amendment(s). The amendment shall be distributed to all members in the same manner used for regular meeting materials.
- c) Attendance
Commissioners shall notify the Chair of the Commission and the Director of the Department of Neighborhoods when they are unable to attend a Commission meeting. Commission members shall be allowed to miss two regularly scheduled meetings of the full Commission per year. Any Commissioner absent for three regularly scheduled meetings in one year shall be considered to have provided their notice of intent to resign from the Commission. Prior to action being taken to remove a CRC member, any extenuating circumstances shall be considered by the Chair and Director.
- d) Regular and Special Meetings
An annual schedule for Commission and Executive Committee meetings shall be established by the Executive Committee each November and posted to the City Bulletin and Department of Neighborhoods website. Full Commission meetings shall be held six (6) times annually, and Executive Committee meetings shall be held up to twelve (12) times annually. Special meetings may be called by the Chair, or at the request of any five members of the Commission. Notice of a special meeting shall be given to each member at least seventy-two (72) hours before the time of the meeting. The manner of delivery shall be the same used to distribute regular meeting materials.
- e) Quorum and Voting
Quorum shall be reached when fifty (50) percent plus one (1) Commission members or Executive Committee members who have been confirmed by City Council at the time of a meeting are present. A majority vote of the members present at any such meeting in which a quorum exists shall be required to pass any motion. Members must be present at the meeting to vote. Voting by proxy or by electronic means is prohibited.
- f) Conflict of Interest
In the case when a member of the Community Relations Commission has a conflict of interest, they are expected to disclose the conflict to the Commission Chair and/or Director of the Department of Neighborhoods and exclude themselves from any further engagement on the matter.
- g) Commission Minutes and Records
Records of the Community Relations Commission shall be maintained in accordance with the Department of Neighborhoods' approved records retention schedule. The Director of the Department of Neighborhoods, or their designee, shall prepare minutes of all meetings and shall provide a copy to all members of the Commission.

Section 2 - Organization

- a) Membership of the Commission

The Commission shall comprise of fifteen (15) members appointed by the Mayor and approved by City Council. In addition, there shall be five (5) non-voting advisors to the Commission who represent City elected officials and Department Directors as outlined in Chapter 139 of the Columbus City Codes. The Commission shall strive to be representative of the diverse communities found in Columbus.

Section 3 - Complaints of Discrimination

a) Definitions

Definitions of all terms included in investigatory procedures shall be found in section 2331.01 of the Columbus City Code.

b) Processing Complaints of Discrimination

A complaint of discrimination that is submitted to the CRC may be accepted if it meets the following requirements:

- Occurred within the past six months
- Occurred on the basis of a protected class and within the area(s) of employment, public accommodation, housing, or salary history
- For allegations related to employment, the employer must have at least four or more employees

Complaints will be referred to other governmental agencies in instances where another agency has the primary jurisdiction for a matter. Referrals may also be made if the type of relief sought by a complainant is only possible through another governmental agency. A record of all complaints received will be maintained by the Community Relations Commission.

Complaints may be filed electronically through the Department of Neighborhoods' website, or by paper. The intake form will be made available for download online or may be picked up at the Department of Neighborhoods' administrative office. Completed paper forms can be mailed in or dropped off at the

Department of Neighborhoods' administrative office.

Forms will be made available in English, Somali, and Spanish, and may be made available in other languages upon request.

When a complaint is submitted, a staff person who is assigned to accept complaints will perform an initial inspection to confirm that all requirements to accept a complaint have been fulfilled.

If more information is required to determine if a complaint can be accepted, a staff person will immediately contact the complainant for more information.

If a complaint does not meet the requirements a staff person will contact the complainant to inform the complainant that the complaint cannot be accepted. When possible, a staff person will also offer to identify a referral to another agency.

It is the responsibility of the complainant to notify and update the CRC on any changes to information on the complaint form. This includes phone number, address, email, and any other details that emerge regarding the complaint.

If the CRC has attempted to contact the complainant, and the CRC has not received a response for a period of sixty (60) days, the CRC may dismiss the complaint.

The Commission shall strive to resolve, dismiss, or refer for prosecution complaints within six (6) months of receipt of the complaint. If at six (6) months after the date of receipt a complaint is not resolved, dismissed, or referred for prosecution, or no fine is issued, the CRC shall notify the complainant of the current status of their complaint and when possible, provide information on other organizations that may accept the complaint.

The Commission will maintain records of all complaints filed in accordance with the Department of Neighborhoods' records retention schedule.

- (F) Respondent may appeal a decision of the Director by submitting a written notice of appeal to the investigator including the name, address, and telephone number of the respondent, the date of the written notice of appeal, and a statement of intent to appeal. The investigator shall maintain a record of the hearing consistent with the Department's records retention schedule. The record may be made by stenographic means or by the use of an audio electronic recording device.
- (G) If a hearing officer is appointed, the hearing officer shall have the authority to:

 - (c) Make rulings on all matters of evidence. In so doing, the hearing officer is not strictly bound by the rules of evidence. The hearing officer may ask questions of any witness at any point in the proceedings and may set time and other limitations for each side in the presentation of evidence. A record of proceedings shall be kept.
 - (5) Except as otherwise prescribed by law, the hearing officer shall submit, within seven (7) business days from the hearing date, to the investigator and the respondent, a written report setting forth the hearing officer's findings

of fact and conclusions of law with final determination of the matter.

(a) The written report of the Hearing Officer may not include any orders for reinstatement of employment, refund of monies paid, other mitigation of damages, or any other orders for corrections or sanctions, except as provided in this section.
