SIGNING OF LEGISLATION

(Note: There was no City Council meeting on *Monday, September 30, 2024*; subsequently, there is no passed or defeated legislation included in this edition.)

The City Bulletin Official Publication of the City of Columbus

Published weekly under authority of the City Charter and direction of the City Clerk. The Office of Publication is the City Clerk's Office, 90 W. Broad Street, Columbus, Ohio 43215, 614-645-7380. The City Bulletin contains the official report of the proceedings of Council. The Bulletin also contains all ordinances and resolutions acted upon by council, civil service notices and announcements of examinations, advertisements for bids and requests for professional services, public notices; and details pertaining to official actions of all city departments. If noted within ordinance text, supplemental and support documents are available upon request to the City Clerk's Office.

RFQ028534 - Walnut Street Sanitary Sewer Extension 650033-100006

1. Project Information 1.1 Project Name: Walnut Street Sanitary Sewer Extension Capital Improvement Project No: 650033-100006 1.2 Project Overview: The Department of Public Utilities (DPU), Division of Sewerage and Drainage (DOSD) has identified CIP 650033-100006 to provide centralized sanitary sewer service to a previously undeveloped, un-sewered area. This project includes the planning, design and engineering services during construction of approximately 7,500 linear feet of sanitary sewer main along Walnut Street from Harlem Road to New Albany-Condit Road. The City reserves the right to cancel this RFP and reject any bid or proposal, in whole or in part, for good cause when it is in the best interests of the City. In the event of a contract, if the project is delayed for any reason by the City, the City may request to modify the contract to reduce the maximum final obligation of the contract to a minimal level until the project resumes. When the project is intended to resume, the contract will be modified to increase the maximum final obligation to the contract amount necessary to fulfill the remaining services needed. 1.3 References: See Appendix D for all area map and record information. 1.4 Obtain RFP All RFP documents shall be downloaded from Bonfire at <https://columbus.bonfirehub.com/projects/151060/publicFiles> and hard copies will not be provided.

BID OPENING DATE - 9/27/2024 3:00:00 PM

RFQ028481 - 2024 Occupational Health and Safety Clinic RFP v2

The City of Columbus (herein referred to as "City") is soliciting proposals for a comprehensive occupational safety and health medical services provider (herein referred to as "Offeror") for professional services including: • Treatment and case management of work-related injuries and illnesses to reduce the further incidence and severity of occupational injuries and diseases, and • Delivery of a variety of medical services to increase the safety and wellbeing of City employees in the work place. For RFP details and submission please go to <https://columbus.bonfirehub.com/> The RFQ number is 028481.

RFQ028293 - General Maintenance Service, Repairs and Renovations UTC

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: The City of Columbus is seeking a Best Value Procurement (BVP) to enter into a Universal Term Contract (indefinite quantity) to purchase a contract for General Contracting for Maintenance, Service, Repairs and Renovations of the interiors and exteriors of various City of Columbus buildings under the purview of the City of Columbus Facilities management Division. The intent of this BVP is to secure general contracting services for various projects over and above the means (operating cost or time) of the Facilities Management inhouse maintenance staff. It is estimated that the City of Columbus will spend \$2,000,000.00 annually on this contract. The City will negotiate a contract with the selected vendor(s) for a term of three (3) years beginning January 31, 2025, through January 31, 2028, with one additional one (1) year extension option.. 1.2 Classification: Offerors are encouraged to submit proposals that demonstrate their competence, quality and feasibility, ability, and past performance, cost, and environmental impact as defined in this request. The City may contract with one or more Offerors chosen through this BVP process. 1.3 Specification Questions: Questions regarding this BVP must be submitted on the Bonfire portal by 11:00 am Monday, August 12, 2024. Responses will be posted on the Bonfire portal no later than Monday, August 19, 2024 at 4:00 pm. 1.4 For additional information concerning this BVP, including procedures on how to submit a proposal, you must go to the Bonfire portal web site at: <https://columbus.bonfirehub.com/opportunities/147311>

BID OPENING DATE - 10/1/2024 1:00:00 PM

RFQ028594 - Professional Engineering Services – Task Order Basis

***Proposals and questions will only be accepted through the Bonfire Portal (use Google Chrome) at: <https://columbus.bonfirehub.com/projectDrafts/151833/details>. Communication outside of the Bonfire portal WILL NOT be accepted. Hard copies WILL NOT be accepted. Scope: The City of Columbus, Department of Finance and Management is receiving proposals until (time) local time (date) for professional engineering services on a task order basis. There is no MBE/WBE Goal for this project. There will be no Pre-Proposal meeting. The last day to submit questions is (time) local time (date). Phone calls will not be accepted. This ad will be posted on the Bonfire portal within 24 hours of the Vendor Services posting.

RFQ028707 - Batch Scheduler Solution and Implementation

This is a reposting to allow for additional questions that were submitted but not answered due to a malfunction in the RFP question box for RFQ for RFQ028362.

The City of Columbus, Department of Public Utilities (DPU), selected RCC Global, LLC (System Integrator) as their implementation partner to lead the implementation of Oracle Customer Cloud Service (CCS) and Oracle Field Service (OFS). DPU also selected System Integrator to assist with the evaluation, selection, and implementation oversight of the Customer Self-Service Portal, Electronic and Traditional Bill Presentment solution, and Batch Scheduler. DPU has requested that System Integrator provides all implementation services, including the services to implement the Batch Scheduler solution. The selected Proposer will contract with System Integrator (not DPU) as their Sub-consultant to provide the implementation services for the solution to DPU. The implementation of the Batch Scheduler solution will need to align to the implementation of CCS and OFS as DPU would like all solutions to Go-Live at the same time. Proposer will contract directly with DPU for licensing and on-going maintenance/support services. DPU prefers that the provider of the solution is also the implementor but will consider options where this is not the case.

BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

BID OPENING DATE - 10/2/2024 10:00:00 AM

RFQ028659 - Roadway - Utility Coordination and Utility Services 2024

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until October 2, 2024 at 10:00 A.M. local time, for professional services for the Roadway - Utility Coordination and Utility Services 2024 RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at <https://columbus.bonfirehub.com/login>. The intent of this contract is to provide for utility coordination services and plan review for both permits and capital improvement projects for the City of Columbus, and may also be used for other projects for which the City is providing design and utility coordination services. The intent of the contract is to provide the Department of Public Service with continuing, contractual access to additional staff and resources that are necessary to provide expertise for utility coordination with various private overhead and underground utilities including expertise reviewing permits related to signal infrastructure, and other such work as may be necessary to complete the contract, as set forth in this Request for Proposals (RFP). All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at <https://columbus.bonfirehub.com/login> as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at <https://columbus.bonfirehub.com/login>. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at <https://columbus.bonfirehub.com/login> after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to <https://columbus.bonfirehub.com/login> in order to sign up. 1.4 City of Columbus MBE/WBE Program: This project is subject to the requirements of the City's MBE/WBE Program. The MBE/WBE goal assigned to this project is 0.0%.

BID OPENING DATE - 10/2/2024 11:00:00 AM

RFQ028660 - DOW CC WELDER TRUCK UP FIT

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: It is the intent of the City of Columbus, Department of Public Utilities/Division of Water to obtain formal bids to establish a contract for the purchase and installation of One (1) Aluminum Maintenance Crane Truck Body on One (1) City supplied cab and chassis. The truck will be used by the Division of Water when working off site welding projects as well as towing a portable 350kw generator for the Division of Water-Control Center. 1.2 Classification: The contract resulting from this bid proposal will provide for the purchase, installation, and delivery of One (1) Aluminum Maintenance Crane Truck Body on One (1) City supplied cab and chassis. All Offerors must document the manufacture certified reseller partnership. Bidders are required to show experience in providing this type of equipment and warranty service as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 11:00 am Monday, September 9th, 2024. Responses will be posted on the RFQ on Vendor Services no later than Thursday, September 12th 2024, at 11:00 am. 1.4 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at <http://vendors.columbus.gov/sites/public> and view this bid number.

BID OPENING DATE - 10/4/2024 1:00:00 PM

RFQ028593 - Water and Sewer Line Protection Program

The Department of Public Utilities (DPU) is seeking proposals from qualified providers for an emergency water service and lateral sewer line repair program for all customers served. DPU provides service to approximately 300,000 metered customers, with a small number of these customers receiving either only water or only sewer service. The City of Columbus' publicly-owned water and sanitary sewer infrastructure is more than 100 years old in some areas. In addition, many privately-owned water service lines and sewer laterals are several decades old and at an increased risk of failure. Property owners are responsible for maintenance and repair of privately-owned service lines. The private portion of water service lines extends from the curb stop to the building inlet, and the private portion of sewer laterals extends from the home to the publicly-owned sewer main. The program will provide property owners located within our service area the opportunity to voluntarily purchase coverage for repair or replacement of privately-owned water service lines and sewer laterals. DPU intends to enter into a contract with the selected entity for a one-year term that is renewable annually at the City's option for up to an additional 4 years, commencing by approximately December 1, 2024. Responses to this RFP will only be accepted through Bonfire at <https://columbus.bonfirehub.com/login>.

RFQ028767 - Lead License and Certification Training Services

The City of Columbus Department of Development (hereinafter "City") is seeking Lead Training Services from a company registered and licensed to provide lead training services in the state of Ohio. The Contractor shall provide training services to individuals/companies referred by City of Columbus, Division of Housing. The City provides grants through a variety of programs to residents of the City of Columbus. In those programs the City hires contractors in cooperation with property owners to complete lead-safe and lead abatement repairs on the residential properties. The City requires that all contractors working under the Division of Housing programs be either a certified RRP (Renovation, Repair, & Painting) or State of Ohio licensed Lead Abatement contractor. The estimated number of trainings for this service is forty (40) by October 2025. The services will involve, but not limited to: providing lead abatement worker training; providing lead abatement supervisor (contractor) training; and providing RRP training and certification.

BID OPENING DATE - 10/11/2024 1:00:00 PM

RFQ028670 - DOSD EV Charging Facilities 650662-100001

1. Project Information 1.1 Project Name: DOSD EV Charging Facilities Capital Improvement Project No: 650662-100001 1.2 Project Overview: The City of Columbus has adopted bold climate and equity goals to ensure that the City does its part to combat global climate change and ensure a healthy and prosperous community for all of its residents, now and in the future. Columbus' Climate Action Plan (CAP) outlines a set of commitments to mitigate and adapt to the impacts of climate change while focusing on community needs and proven best practices. Within the Climate Action Plan, Strategy 10 focusses on implementing zero emissions vehicles (ZEVs), including electric vehicles, throughout the City's fleets. The CAP outlines targets to transition 100% of municipal light duty passenger ZEVs by 2030 and 100% of all fleets to ZEVs by 2050. In order to work toward the goals of the CAP, the Department of Public Utilities (DPU), Division of Sewerage and Drainage (DOSD) fleet management team is transitioning its internal combustion engine vehicles to electric vehicles (EVs). With this transition, the City has identified the need to upgrade each facility's current electrical capacity and infrastructure to accommodate the expansion of the number of installed electrical vehicle (EV) parking spaces. This project will identify parking lots and structures where support infrastructure upgrades are required at identified DOSD facilities – Jackson Pike WWTP, Southerly WWTP, the Compost Facility and the Sewer Maintenance Operations Center (SMOC). The project will study and suggest phased upgrades to the electrical conveyance equipment and for each parking area on site. This project shall suggest upgrades in coordination with the City's current process of transitioning its fleet to EVs. It is the intent of the City to take advantage of the Direct Investment Tax Credit (ITC) rebate through the Inflation Reduction Act (IRA). The project is expected to span three (3) years to provide a detailed plan for division wide installation of EV charging facilities. The selected firm will provide services for preliminary design (Step 1), detailed design (Step 2), and engineering services during construction (Step 3). It is the City's intent to initially enter into a contract with the selected firm for preliminary design work (Step 1) with the intent to execute future contract modifications for detailed design work (Step 2), and engineering services during construction (Step 3). The City reserves the right to cancel this RFP and reject any bid or proposal, in whole or in part, for good cause when it is in the best interests of the City. In the event of a contract, if the project is delayed for any reason by the City, the City may request to modify the contract to reduce the maximum final obligation of the contract to a minimal level until the project resumes. When the project is intended to resume, the contract will be modified to increase the maximum final obligation to the contract amount necessary to fulfill the remaining services needed. 1.3 References: Appendix G – OEC Task Order No. 098 – DOSD EV Fleet Charging Assessment 1.4 All RFP documents shall be downloaded from Bonfire at <https://columbus.bonfirehub.com/projectDrafts/153178/publicFiles>. Hard copies will not be provided.

BID OPENING DATE - 10/15/2024 3:00:00 PM

RFQ028550 - Public Safety Health and Physical Fitness Testing

The City of Columbus, Department of Human Resources, (herein referred to as "City") is soliciting proposals for a health and physical fitness testing services provider (herein referred to as "Offeror") for both the Division of Fire and Division of Police. The Division of Fire anticipates participation of approximately 1,650 professional fire personnel and the Division of Police anticipates participation of up to 1,900 professional police personnel. The successful bidder will be required to provide all personnel, facilities, equipment, and supplies necessary to perform these services within Franklin County, Ohio (preferably within the boundaries of the City of Columbus). The specifications to follow include separate requirements for Fire's program and Police's program. Both testing programs must be in compliance with the applicable articles of the collective bargaining agreements the City has with each union-- the IAFF Local 67 (Fire Union) and the FOP Capital City Lodge #9 (Police Union). These collective bargaining agreements can be accessed on the City of Columbus, Human Resources, Labor Relations webpage located at: <https://www.columbus.gov/Government/Departments/Human-Resources/Labor-Relations>. • For the Division of Fire, the applicable collective bargaining agreement article is Article 38 (including all Appendices and Charts). • For the Division of Police, the applicable collective bargaining agreement article is Article 18 (including all Appendices and Charts). This Project has an MBE/WBE participation goal of 10%. MBE/WBE prime offerors who have a documented disparity in the 2019 City of Columbus Disparity Study are eligible for the 5% proposal incentive credit. Only MBE's/WBE's businesses certified as an MBE/WBE business with the City of Columbus will count toward the goal.

Proposals must be submitted electronically through the City of Columbus Bonfire hub at <https://columbus.bonfirehub.com/projects>. The reference # for this solicitation in Bonfire is RFQ028821. Vendors must be registered with the City of Columbus and Bonfire to submit proposals. DO NOT SUBMIT BIDS TO THIS RFQ. IT IS ONLY USED TO NOTIFY VENDORS OF THE RFP IN BONFIRE. Bids submitted to this RFQ within the City of Columbus' Vendor Services Portal will NOT be reviewed or considered. No paper or email bids will be accepted.

BID OPENING DATE - 10/17/2024 11:00:00 AM

RFQ028666 - Firefighter Turnout Gear UTC

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: The City of Columbus is seeking Request for Proposals in response to a Best Value Procurement (BVP) to enter into a Universal Term Contract (indefinite quantity) to purchase Firefighter Turnout Gear. The City will negotiate a contract with the selected vendor for a term of approximately three (3) years through September 30, 2028 with two (2) additional one (1) year optional extensions. 1.2 Classification: The contract resulting from the BVP will provide for the purchase and delivery of turnout gear to include fire coat, bunker pants, suspenders, belt and repair items. The fire coat and bunker pants are considered an integral unit. The contract will be awarded to one supplier for all items listed. 1.3 Specification Questions: Questions regarding this BVP must be submitted on the Bonfire portal by 11:00 am Monday, September 30, 2024. Responses will be posted on the RFQ on Bonfire no later than Friday October 4, 2024 at 11:00 am. 1.4 For additional information concerning this RFP, including procedures on how to submit a proposal, you must go to the City of Columbus Bonfire website at <https://columbus.bonfirehub.com/projects/152827/details> and view this bid number. 1.5 Best Value Procurement Model: The City of Columbus is using a Best Value Procurement in lieu of the Invitation to Bid model. The award will not be made to the lowest, responsive, and responsible bidder. The contract will be awarded based upon: (1) total cost of ownership, to include maintenance and operation costs, as well as the expected life of the equipment, (2) acquisition costs, (3) quality of the goods offered and the extent to which the goods meet the operational needs of the City, (4) past performance of the equipment and vendor as determined by customer satisfaction (5) acquisition cost and other evaluation criteria referred to in Columbus City Code 329.18 or as defined herein. 1.6 Background of City's Needs: The Division of Fire will have an evaluation process with fifteen (15) sets of turnout gear to be tested within the Division on selected firefighters. The City will negotiate a Universal Term Contract with the successful vendor. It is estimated this process of evaluation and negotiation will take up to nine (9) months before award recommendation. The committee will select the top 3 scoring vendors to be selected for the evaluation process. This will be determined after the presentations and the evaluation of the sample turnout gear.

RFQ028799 - CPH - Medical Laboratory Services

Columbus Public Health is seeking proposals to for medical laboratory services for the testing of clinical specimens. The purpose of this RFP is to solicit proposals from qualified laboratories that are CLIA certified and able to provide laboratory services that meet the needs of Columbus Public Health staff and clients. This includes providing all necessary supplies needed to collect, run, and transport the specimens. ***Applications must be submitted electronically through the City of Columbus Bonfire hub at <https://columbus.bonfirehub.com/projects>. Follow the link to create a new vendor registration. DO NOT SUBMIT BIDS TO THIS RFQ. IT IS ONLY USED TO NOTIFY VENDORS OF THE RFP. No bids submitted via this RFQ to Vendor Services will be reviewed or considered. No paper or email bids will be accepted.***

BID OPENING DATE - 10/31/2024 2:00:00 PM

RFQ028716 - City Facility Condition Assessments Phase 3

***Proposals and questions will only be accepted through the Bonfire Portal (use Google Chrome) at: <https://columbus.bonfirehub.com/projectDrafts/153489/details>. Communication outside of the Bonfire portal WILL NOT be accepted. Hard copies WILL NOT be accepted. Scope: The City of Columbus, Department of Finance and Management is receiving proposals until 2:00 PM local time on October 31, 2024 for architectural/engineering services to utilize and manage a process for Facilities Condition Assessments for remaining City facilities that haven't been assessed (see attached list on Bonfire). The City is currently utilizing the software AssetPlanner and is the recommended selected firm to import data collected during the physical assessment. The Phase 3 assessments will be combined with existing City facility assessments to produce summary reports for all City facilities. One complete set will be provided as hard copies (paper booklets) and three more copies will be provided on flash drives. Additional reports for all facilities specific to conditions of roofs, exterior pavement, elevators, etc. will also be provided. The intent of the Facilities Condition Assessments is to utilize AssetPlanner in order to provide an accurate, objective, standardized database of City facility data from which specific reports can be produced. The City is requesting information on both the provision of Facilities Condition Assessors (Auditors), and a standards-driven, objective process for Facilities Condition Assessments. *** The MBE/WBE Goal for this project is: 15% *** A pre-proposal meeting and facility tour shall be held at 100 North Front Street, Columbus, OH 43215 at 2:00 PM, local time on September 19, 2024. Attendance is strongly encouraged. The last day to submit questions is 2:00 PM local time on October 24, 2024. Phone calls will NOT be accepted. This ad will be posted on the Bonfire portal within 24 hours of the Vendor Services posting.

To amend §251.03 of the Columbus City Health Code in regard to the food service operation and retail food establishment fees in accordance with The State of Ohio Uniform Food Safety Code, law and rules.

WHEREAS, the staff of Columbus Public Health has traditionally provided licenses and conducted inspections for all food service operations and retail food establishments within the City of Columbus; and,

WHEREAS, the staff of Columbus Public Health has completed the cost analysis calculations required by Ohio Revised Code §3717.07 Uniform Cost Methodologies; Ohio Administrative Code, Cost Analysis and Calculations §3701-21-02.2; Cost Analysis and License Fee Calculation §901:3-4-04; and,

WHEREAS, the staff of Columbus Public Health recommend the following food service operation and retail food establishment fees for licenses, facility layout & equipment specification review, and expedited plan review to recover current costs of the food protection program; and,

WHEREAS, the code establishes a new fee structure and cost methodology for establishing fees which is to go into effect on December 1, 2024; now, therefore

BE IT RESOLVED BY THE BOARD OF HEALTH OF THE CITY OF COLUMBUS:

Section 1. That licensing fees established by the state methodology be adopted by the Columbus Board of Health.

Section 2. That §251.03 of the Columbus City Health Code, Approval of Plans; Fees, be amended to read as follows:

251.03 APPROVAL OF PLANS; FEES.

(a) The following fees are established with respect to license fees and Facility Layout & Equipment Specification Review:

(1) Food Service Operation (FSO) and Retail Food Establishment (RFE) license fees shall be as follows (this amount is separate and in addition to the state fee that is included in the total license fee):

License Category	City Fee
Level 1 < 25,000 sq. ft. Commercial	\$258.00
Level 2 < 25,000 sq. ft. Commercial	\$282.00
Level 3 < 25,000 sq. ft. Commercial	\$488.00
Level 4 < 25,000 sq. ft. Commercial	\$604.00
Level 1 > 25,000 sq. ft. Commercial	\$348.00
Level 2 > 25,000 sq. ft. Commercial	\$362.00

Level 3 > 25,000 sq. ft. Commercial	\$1,160.00
Level 4 > 25,000 sq. ft. Commercial	\$1,225.00
Level 1 < 25,000 sq. ft. Non Commercial	\$129.00
Level 2 < 25,000 sq. ft. Non Commercial	\$141.00
Level 3 < 25,000 sq. ft. Non Commercial	\$244.00
Level 4 < 25,000 sq. ft. Non Commercial	\$302.00
Level 1 > 25,000 sq. ft. Non Commercial	\$174.00
Level 2 > 25,000 sq. ft. Non Commercial	\$181.00
Level 3 > 25,000 sq. ft. Non Commercial	\$580.00
Level 4 > 25,000 sq. ft. Non Commercial	\$612.50
High Risk Mobile Food Service	\$245.00
Low Risk Mobile Food Service	\$122.50
Temporary Food Service Commercial (per day)	\$60.00
Temporary Food Service Non Commercial (per day)	\$30.00
Food Vending Locations	\$19.98

(2) Facility Layout and Equipment Specification Review fees charged for both Food Service Operations (FSO) and Retail Food Establishments (RFE) shall be as follows:

Facility Layout & Equipment Specification Review	Fee
Micro Markets	\$290.00
Risk Level 1-4 < 25,000 sq. ft.	\$575.00
Risk Level 1-4 > 25,000 sq. ft.	\$1,150.00
Risk Level 1-4 Extensive Alteration	\$290.00
Change of Ownership - All Categories	\$290.00

(b) Any plan review applicant may include an additional one thousand two hundred fifty (\$1250.00) fee to expedite review of a plan for a proposed construction or extensive alteration of a Food Service Operation or Retail Food Establishment. After the complete application and the expedite fee have been received, the plans shall be reviewed within two (2) business days. The onsite inspection shall be scheduled no later than one (1) business day following the approval of the plans and notification that the facility has received approval on all other required permits. Columbus Public Health reserves the right to not offer this service based upon operational capacity.

Section 3. That all pre

Public Utilities and Sustainability Committee Hearing

Date: October 2, 2024

Time: 3:30 PM

Location: Columbus City Hall, Council Chambers, 90 W. Broad St., Columbus, OH 43215

Subject: Climate Action Plan update, proposed code change to create the Lead Elimination Assistance Program (LEAP), and proposed code changes for Title 13

Councilmembers Present: Councilmember Christopher L. Wyche, Councilmember Emmanuel V. Remy

Summary of Minutes:

CALL TO ORDER

Call to Order: 3:34

Present: Councilmember Christopher L. Wyche, Councilmember Emmanuel V. Remy, Chelsea Golterman, Emiliana Morales, Cole Calloway, Sam Duling, Natalie Miller, Sustainable Columbus Deputy Director Alana Shockey, Department of Public Utilities Division of Water Regulatory Compliance Manager Emilie Eskridge, Department of Public Service Division of Refuse Administrator of Refuse Collection Tim Swauger, Department of Public Service Public Relations Specialist Charles Newman, Department of Public Service Division of Refuse Operations Coordinator Disu Oshodi, Glen Tuomaala, Nolan Ruschilling, Allegra Wiesler

INTRODUCTION

Opening Remarks:

[Chair Wyche] Act with Us Youth Art Contest deadline has been extended to Oct 18, Students can submit at <Columbus.gov/ActWithUs>. Tonight we will be hearing updates on Climate Action Plan from Sustainable Columbus, Lead Elimination Assistance Program and Changes to Title 13.

[Vice-Chair Remy] Thank you chair and the opportunity to report out to the community on these exciting initiatives.

[Chair Wyche] Thank you to staff and public for attending

PRESENTATION - Climate Action Plan Update

[Deputy Director Shockey] Thank you! Providing an update today on the Climate Action Plan. The city of Columbus does a Greenhouse Gas Inventory annually, the 2023 Greenhouse Gas Inventory reporting underway, and 2022 Report is available now. Over the last decade, there has a 13% pop growth and a 6.5% reduction in emissions. Big reductions come from the building sector. Transportation emissions are increasing that exceeds the population rates, this is why initiatives like LinkUs is so important. First Climate Action Plan Progress Report came out in 2024, it is hyper focused on the 2025 target goals. Many of the 2025 goals are planning goals and steps. The progress report and the Climate Action Plan can be found online at <<<https://www.Columbus.gov/Services/Public-Utilities/About-Public-Utilities/Office-of-Sustainability/Columbus-Climate-Action-Plan>>>.

[Chair Wyche] One of our goals are to adopt net zero building standards, where are we at?

[Deputy Director Shockey] We are working to build on the foundation to increase green energy through federal grants, including the home efficiency rebate programs. Clean Energy Columbus is the clean energy aggregation program and we are looking to grow that program. Central Green Fund providing multi family and businesses incentives to adopt solar.

[Chair Wyche] What is the update on Net-metering implementation and progress toward virtual net metering?

[Deputy Director Shockey] Net-metering enabled solar and other green energy. Including a program with Solar United Neighbors. Division of Power also is making a plan for virtual net metering and solar array.

[Chair Wyche] Why does it take so long? Do we have time?

[Deputy Director Shockey] We are working towards each goal. The plan for solar array will be developed by the end of this year and the federal grant must be spent by 2030.

[Chair Wyche] To have good policy implemented, being intentional on each step is important.

[Chair Wyche] Can you provide more insight on procurement for utilities?

Deputy Director Shockey] Department of Finance and Management oversees the power procurement and Sustainable Columbus works with the department and collaborates with. There is also a sustainability policy for procurement of utilities.

[Chair Wyche] Is there a mandate coming for recycling?

Deputy Director Shockey] DPS is working on the infrastructure for recycling and educating/encouraging residents to recycle. We have weekly recycling. We have opened 2 reuse and waste convenience centers in the City.

[Chair Wyche] Climate Action Plan requires collaboration between departments to meet the various goals.

PRESENTATION - Proposed Code Change to Create the Leadline Elimination Assistance Program

[Ms. Eskridge] Department of Public Utilities is putting together this program to help eliminate lead service lines and galvanized services lines by 2040. This will help remove the rates even quicker and this helps residents who are concerned about their service lines with out having to wait. There is no income limit, no upfront cost and allows for the homeowner selects the contractor. LEAP Process: 1. Contact Department of Public Utilities, 2. Customer selects contactor, 3. Contrator enters 3 way agreement with homeowner and Department of Public Utilities, 4. Department of Public Utilities then pays once done through a 99 year 0% mortgage by Department of Public Utilities and is due when the home is sold or the mortgage is paid off. Plan for the pilot includes \$1 M funding 2025 for LEAP, replacement costs capped to an average, 100 to 150 customers for 2025. We anticipate increased interest over the first few years, but decline once Department of Public Utilities gets to the end of the city wide replacement in 2040.

[Chair Wyche] Thank you! We hope more residents will be interested. How will you promote?

[Ms. Eskridge] We have an outreach team that is working with the lead line replacement programs over all and the elimination program will be included.

[Chair Wyche] How will the cap be determined?

[Ms. Eskridge] This pilot program will allow for Department of Public Utilities to determine what is the average cost then the cap will be decided

[Chair Wyche] What happens if my house is more than the cap?

[Ms. Eskridge] We will pay to the cap and the homeowner pays the rest

[Chair Wyche] What happens at the 99 years?

[Ms. Eskridge] The money will be due if the home has not been sold in the 99 years

[Chair Wyche] Mortgage insurance?

[Ms. Eskridge] No.

PRESENTATION - Proposed Code Change to Title 13 - Refuse

[Administrator Swauger] Thank you! Title 13 was last revised in 2018. We now see more revisions need to happen again. Collection services have changed including the 300 gallon conversion which will be done in Nov 2024, defined owner/tenant responsibilities, and compactor ratios. Enforcement side will be aligned and more consistent with the ORC, including defined criminal penalties and the threshold. And creates Refuse Appeal Board, 3 member board and will hear appeals.

[Chair Wyche] Can you explain the reasoning behind the 300 gallons?

[Administrator Swauger] Pilot program in 2017/18 and it reduced the litter and illegal dumping (contractors and construction materials) which over loaded the 300 gallons. Even though they are convenient for residents, they are a magnet of illegal dumping.

[Chair Wyche] Has it decreased the illegal dumping?

[Administrator Swauger] It takes a few weeks for residents to see the changes, but the open dumping has been significantly decreased. We are still seeing the closed dumping and we have been working on adding additional cameras

[Chair Wyche] During the conversion, it seems like businesses are surprised when they were removed, can you expand?

[Administrator Swauger] When we took the 300 and provided 90 gallon to residents, we found a lot of businesses and multi families that were inappropriately using the 300 gallons. We have now been educating the community that the 300 gallons and now 90 gallons are for residential use only.

[Vice-Chair Remy] Can you explain more about Bulk Pick Up?

[Administrator Swauger] Bulk Scheduling in the city of Columbus is tracked through out the city and ebbs and flows through out the year. Example, if there is a flood, there is more Bulk Pick Ups in that area because of damages furniture. Our goal is 2-4 weeks for pick up. Over labor day, requests increased due to summer clean ups and the Department Public Service is working through it. We just did a study and in the month of September, 1/3 of items were not there for pick up. If you no longer need the pick up, please cancel so we can add another pick up on the route. We also encourage residents to go reuse convenience center first because there is a chance to differ the items from the landfill. If the item is picked up by Bulk Pick Up, it is going to the landfill. Residents should first schedule Bulk Pick Up, and once they have their pick up date, residents can put their items out no more than 72 hours. Do not put out your items before you schedule it.

[Vice-Chair Remy] Talk a bit more about the convenience centers?

[Administrator Swauger] There are two locations: Alum Creek Convenience Center at 2100 Alum Creek Dr., and Georgesville Rd Convenience Center at 1550 Georgesville Rd. More information can be found at <<<https://www.columbus.gov/Services/Trash-Recycling-Bulk-Collection>>>

[Vice-Chair Remy] Paint?

[Administrator Swauger] Dry paint yes, but wet paint falls under hazardous waste and we have specific dates scheduled for that and information can be found at <<<https://www.columbus.gov/Services/Trash-Recycling-Bulk-Collection/Household-Trash-Collection/Hazardous-Waste>>>

[Vice-Chair Remy] How the Convenience Centers going?

[Administrator Swauger] Alum Creek has a line of cars. Diverting hundreds of tons every year. Just opened Georgesville on Sat, September 29. We are working with are partners to open a northern center with neighbor suburban municipalities and SWACO.

[Chair Wyche] Encourage folks to use the convenience centers. Has the department thought about mandating recycling spaces at all properties?

[Administrator Swauger] We are piloting a 1:1 exchange on multi family to replace recycling bins with dumpsters. We are working on expanding recycling offerings through out the city. Our new recycling center is needing more materials. This is a regional issue, and we are working together on how to get the recycling to the recycling facilities. There are ample regional and state customers for our recycling.

[Chair Wyche] The younger generation is demanding recycling and i am glad we are seeing this. We are interested in increasing the circular economy and recycling.

[Administrator Swauger] We have increased food waste and compost. We have 5 locations through out the city and at the 2 convenience centers. We are building 4 more drop off locations. When we talk recycling and trash, we must mention food waste as well.

PUBLIC COMMENTS

[Chair Wyche] Now to public testimony. Mr. Tuomaala you are next.

[Mr. Tuomaala] Climate Action plan is exciting! Green Building Code is needed. I have been working with a professor from OSU on the Green Building Code. City of Denver is has a great Green Building Code. Now is the time because we are building now and once these buildings are up - its more difficult to make those buildings green after. This is good for business and time is not on our side. Having a green building code is vital and being quick is important

[Chair Wyche] I appreciate you advocating for the Green Building Code and specifically Denver as a model. Kicking it Deputy Director Shockey for additional insights

[Deputy Director Shockey] Denver is a great model city. We need to work on the mechanisms right now to fund the policies we know we need to do now. We also need to look at where does the local government sits in creating these mechanisms and policies. What are the most appropriate incentives. Also Minneapolis, St. Paul and DC are great model cities as well.

[Mr. Tuomaala] Developers will get their money back its an investment. What is the timeline for the green building code?

[Deputy Director Shockey] It is a step by step process. We passed benchmarking in 2020, and our office is focused on existing buildings. I know Chair Wyche is pushing us to focus on new buildings.

[Mr. Tuomaala] What is the barriers?

[Deputy Director Shockey] Understanding what local gov can act and what can we incentive v. require?

[Chair Wyche] My office is very focused on this. We are looking at incentives vs. requirements and balancing.

[Mr. Tuomaala] I understand but time is not on our side. Why cant we just implement Denver?

[Deputy Director Shockey] There is likely a difference in the state government and what it allows local governments to do.

[Mr. Tuomaala] Thank you!

[Chair Wyche] Thank you for your advocacy

CLOSING REMARKS

[Chair Wyche] Thank you for everyone who came.
