Police-Involved Shooting

On Tuesday, June 25, 2024, at approximately 2:49pm, officers were dispatched to the 300 block of Hoskins Way on the report of a male with a knife stabbing multiple people. Within minutes, officers arrived on scene and located the suspect and several victims outside the residence. Officers made several verbal commands to the suspect to put the knife down. The suspect refused to put the knife down and at least one officer discharged their firearm and one officer deployed their Taser.

The suspect was taken into custody and transported to an area hospital in critical condition and updated to stable condition.

Three victims of the stabbing were transported to area hospitals, and all are expected to survive their injuries. No officers were injured.

The Ohio Bureau of Criminal Investigation is investigating the officer-involved shooting by CPD.
