

Blenheim/Glencoe Parking Counts Overview

The Blenheim/ Glencoe project area contains 1,030 parking spots. The proposed conditions would eliminate three (3) parking spots on Arden Rd, between High St. and the Alley running parallel to High St. Thus, the total number of parking will change from 1,030 to a total of 1,027.

Legend

- Parking (22' x 8')
- Parking - No Change (1027)
- Parking - Changed (3)
- No Parking
- Project Area
- Street
- Hydrants
